3. CONDITIONS

3.1 Completion is conditional on each of the following having been satisfied (or waived in writing by the Lead Investor) on or before the Completion Date:

(a) the Warranties being true, accurate and not misleading in all material respects as at the date of this Agreement, save as fairly disclosed in the Disclosure Letter;

(b) the passing of the shareholders' resolutions in the agreed form to adopt the Articles, authorise the directors to allot the Series B Shares and disapply pre-emption rights in respect of that allotment;

(c) the board of the Company having approved this Agreement, the allotment of the Series B Shares and the other transactions contemplated by this Agreement;

(d) the Company and each other party (other than the Investors) having executed the Investor Rights Agreement; and

(e) no Material Adverse Change having occurred between the date of the Term Sheet and the Completion Date.

3.2 Each of the Warrantors shall use all reasonable endeavours to procure that the conditions in clause 3.1 are satisfied as soon as reasonably practicable and in any event by the Completion Date.

4. COMPLETION

4.1 Completion shall take place remotely by the exchange of documents in electronic form on the Completion Date.

4.2 At Completion the Company shall:

(f) procure that a duly convened board meeting is held at which the directors resolve to allot and issue the Series B Shares to the Investors, approve the entry of the Investors in the register of members, and approve the execution of the transaction documents;

(g) deliver to the Lead Investor certified copies of the shareholders' resolutions adopting the Articles and authorising the allotment;

(h) deliver to each Investor a duly executed share certificate (or, where uncertificated, confirmation of entry in the register of members) in respect of the Series B Shares allotted to it; and

(i) deliver counterparts of the Investor Rights Agreement and the Disclosure Letter duly executed by each party (other than the Investors).

4.3 At Completion each Investor shall pay its portion of the Investment Amount by electronic transfer of cleared funds to the client account of the Company's solicitors, whose receipt shall be a good and sufficient discharge.

4.4 No Party is obliged to complete the subscription unless all of the matters referred to in clauses 4.2 and 4.3 are complied with simultaneously, save that the Lead Investor may in its absolute discretion waive any such requirement.

5. USE OF PROCEEDS

5.1 The Company shall apply the net proceeds of the Investment in accordance with the budget approved by the Board, principally to fund the scale-up of manufacturing capacity, expansion of the engineering and commercial teams, and the Company's entry into the German and Benelux markets, and otherwise for general working capital purposes of the Group.

6. SHARE CAPITAL ON COMPLETION

6.1 The share capital of the Company immediately following Completion shall be as set out in Part 2 of Schedule 2, comprising 6,500,000 Ordinary and Series A Shares in issue immediately before Completion, the 2,250,000 Series B Shares issued under this Agreement, and an enlarged option pool, in each case as more particularly set out in that Part.

7. UNDERTAKINGS AND CONDUCT OF BUSINESS

7.1 Each Warrantor undertakes that, from Completion and for so long as the Lead Investor holds Series B Shares, it shall procure (so far as it is able) that the Business is carried on in accordance with the Articles, the approved budget and all applicable laws, and that no Reserved Matter is undertaken without the consent required under the Investor Rights Agreement and the Articles.

7.2 The Company shall maintain in force directors' and officers' liability insurance, key-person insurance in respect of each Founder, and adequate product liability and public liability insurance, in each case on terms approved by the Board.

7.3 The Company shall procure that each employee and consultant who creates or contributes to any Intellectual Property used in the Business has entered into a written agreement validly assigning such Intellectual Property to a Group Company and containing appropriate confidentiality and restrictive covenant provisions.

8. WARRANTIES

8.1 Each Warrantor warrants to each Investor that, save as fairly disclosed in the Disclosure Letter, each of the Warranties set out in Schedule 4 is true, accurate and not misleading as at the date of this Agreement.

8.2 Each Warranty is a separate and independent warranty and (save as expressly provided) is not limited by reference to any other Warranty or anything in this Agreement.

8.3 The liability of the Founders under the Warranties is several and not joint, and is subject to the limitations set out in clause 9. The Warranties given by the Company are given without limit as to amount but subject to the time limits in clause 9.

8.4 Each Warrantor undertakes to notify the Investors in writing promptly if it becomes aware of any matter or circumstance that constitutes, or would be reasonably likely to constitute, a breach of any Warranty before Completion.

9. LIMITATIONS ON LIABILITY

9.1 The aggregate liability of each Founder in respect of all claims under the Warranties shall not exceed an amount equal to the aggregate Issue Price received (directly or indirectly) by that Founder in respect of any of his or her shares sold in connection with the round, and in any event shall not exceed £1,750,000 per Founder.

9.2 No Warrantor is liable for any claim under the Warranties unless: (a) the amount of that claim exceeds £10,000; and (b) the aggregate amount of all such claims (each exceeding £10,000) exceeds £125,000, in which case the relevant Warrantor is liable for the whole amount and not merely the excess.

9.3 No Warrantor is liable for any claim under the Warranties unless written notice of the claim (stating in reasonable detail the nature of the claim and, so far as practicable, the amount

claimed) is given to the relevant Warrantor: (a) in the case of a claim under the Tax Warranties, on or before the seventh anniversary of Completion; and (b) in the case of any other claim, on or before the date falling 21 months after of Completion.

9.4 No Warrantor is liable for any claim to the extent that it arises from any matter fairly disclosed in the Disclosure Letter, from any change in law or accounting practice after Completion, or from any act or omission of any Group Company at the written request of the Investors after Completion.

9.5 Nothing in this clause 9 limits or excludes the liability of any Warrantor for fraud, fraudulent misrepresentation or wilful concealment.

10. RESTRICTIVE COVENANTS

10.1 Each Founder covenants with the Company and the Investors that he or she shall not, for so long as he or she holds shares in the Company and for a period of 12 months after ceasing to hold shares and to be an employee or director, directly or indirectly:

(j) carry on or be engaged or interested in any business that competes with the Business within any territory in which the Group carries on business;

(k) solicit or entice away from any Group Company any person who was a director, senior employee or consultant of any Group Company at any time during the 12 months before the relevant date; or

(l) solicit the custom of any person who was a customer of any Group Company during that period in respect of goods or services competitive with those of the Business.

10.2 Each restriction in clause 10.1 is a separate undertaking and is considered fair and reasonable by the Parties. If any restriction is held to be void but would be valid if some part were deleted or its scope reduced, it applies with such modification as necessary to make it valid.

11. CONFIDENTIALITY AND ANNOUNCEMENTS

11.1 Each Party shall keep confidential the terms of this Agreement and all information of a confidential nature concerning the other Parties and the Group obtained in connection with this Agreement, save as permitted by clause 11.2.

11.2 A Party may disclose confidential information: (a) to its professional advisers, and (in the case of an Investor) to its members, partners, prospective investors and fund administrators on a confidential basis; (b) as required by law or any regulatory authority; or (c) with the prior written consent of the other Parties. No announcement concerning the transaction shall be made except in a form approved by the Company and the Lead Investor.

12. FURTHER ASSURANCE

12.1 Each Party shall, at its own cost, execute and deliver such documents and perform such acts as the other Parties may reasonably require to give full effect to this Agreement.

13. ENTIRE AGREEMENT

13.1 This Agreement, the Articles, the Investor Rights Agreement and the Disclosure Letter constitute the entire agreement between the Parties and supersede all prior agreements relating to their subject matter.

13.2 Each Party agrees that it has no remedy in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in this Agreement, save that nothing limits any liability for fraud.

14. VARIATION AND WAIVER

14.1 No variation of this Agreement is effective unless it is in writing and signed by the Company and the Investor Majority. A waiver of any right or remedy is only effective if given in writing.

15. ASSIGNMENT

15.1 No Party may assign, transfer or otherwise deal with any of its rights or obligations under this Agreement, except that an Investor may assign its rights to any member of its fund group or to a transferee of its Series B Shares permitted under the Articles, subject to the assignee entering into a deed of adherence.

16. NOTICES

16.1 Any notice given under this Agreement shall be in writing and delivered by hand, by pre-paid first-class post or by email to the address or email address of the relevant Party set out in Schedule 1 (or as otherwise notified). A notice is deemed received: if delivered by hand, at the time of delivery; if posted, at 9.00 am on the second Business Day after posting; and if sent by email, at the time of transmission, provided no error message is received.

17. COSTS

17.1 Save as otherwise agreed, each Party bears its own costs in connection with this Agreement. The Company shall bear the Lead Investor’s reasonable legal and due diligence costs up to £75,000 plus VAT in accordance with the Term Sheet.

18. THIRD PARTY RIGHTS

18.1 Except as expressly stated, a person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

19. COUNTERPARTS

19.1 This Agreement may be executed in any number of counterparts, each of which when executed constitutes an original, and all the counterparts together constitute one and the same instrument. Delivery of an executed counterpart by email (PDF) is effective delivery.

20. GOVERNING LAW AND JURISDICTION

20.1 This Agreement and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter are governed by and construed in accordance with the law of England and Wales.

20.2 Each Party irrevocably agrees that the courts of England and Wales have exclusive jurisdiction to settle any such dispute or claim.
