ALDRIDGE BIOMATERIALS LIMITED

(the Company) — Company Number 13884201

MINUTES OF A MEETING OF THE BOARD OF DIRECTORS

Held at: Unit 7, Granta Park, Cambridge CB21 6GP (and by video conference)

Date and time: 10 December 2025 at 10.00 a.m.

Present: Dr Eleanor Aldridge (Chair & CEO); Dr Marcus Tindall (CTO); Helen Foss (Non-Executive Director); Raymond Lasseter (Investor Director, Ardent Ventures)

In attendance: Sarah Whitfield (Whitfield Carter LLP); Priya Venn (Company Secretary)

1. Quorum and conflicts

The Chair confirmed that a quorum was present and that notice had been given to all directors. No director declared any interest in the matters to be considered requiring recusal.

2. Project Quartz — proposed patent licence

The Chair reported on the proposed exclusive licence of the AB-COAT™ patent family to Brandt Packaging Solutions GmbH. The board reviewed the near-final form of the Patent Licence Agreement and side letter circulated by Whitfield Carter LLP, noting the principal commercial terms: an upfront fee of £1,250,000, a running royalty of 5.0% of Net Sales, minimum annual royalties rising to £500,000, an exclusive licence in the compostable flexible-packaging field in the EEA, the UK and Switzerland, and a liability cap of £3,000,000.

Sarah Whitfield summarised the outcome of negotiations, including the reduction of the royalty rate from the 6.5% in the term sheet to 5.0%, the corresponding reduction of the upfront fee to £1,250,000, the narrowing of the Territory from the licensee's proposed worldwide (excluding North America) position to the EEA, UK and Switzerland, and the agreed liability cap. The board considered the freedom-to-operate review prepared with Hartington IP and the confirmatory IP due-diligence note.

3. Resolutions

IT WAS RESOLVED that:

1. the entry by the Company into the Patent Licence Agreement and the side letter with Brandt Packaging Solutions GmbH, substantially in the forms produced to the meeting, be and is hereby approved;
2. the terms of the Transaction are in the best interests of the Company and its members as a whole and are likely to promote the success of the Company;
3. any one director be and is hereby authorised to execute the Patent Licence Agreement as a deed and the side letter, and to agree any final amendments of a non-material nature; and
4. the directors and the Company Secretary be authorised to do all such things as may be necessary to give effect to the Transaction, including completion on or about 12 December 2025.

4. Close

There being no further business, the Chair declared the meeting closed at 10.40 a.m.
