- Ms Lorna Keane (Chief Operating Officer)

- Mrs Helena Marsh (Non-executive Chair)

In attendance: Ms Sarah Whitfield, Whitfield Carter LLP (by invitation, for item 3).

## 1. Quorum and conflicts

The Chair noted that a quorum was present. Mr Vholes, being the subject of item 3, was not present and took no part in the meeting. No other conflicts were declared.

## 2. Minutes of the previous meeting

The minutes of the meeting held on 16 January 2026 were approved as a correct record.

## 3. Proposed agreed termination — Group Finance Director

The Board considered the proposed agreed termination of the employment of Mr Adrian Vholes, the Group Finance Director, who had indicated his intention to leave the Group and take up a role with Cedarwell Care Group Limited. Ms Whitfield summarised the advice provided to the Board, including the structuring of the termination payments and the enforceability of the post-termination restrictions.

The Board noted Ms Whitfield's advice that the non-competition covenant, at its current 12-month duration, carried a material risk of being held unreasonable, and that agreeing a reduced period of 9 months would give the Group a covenant it could realistically enforce while preserving the client and employee non-solicitation covenants in full.

After discussion, it was RESOLVED that:

1. the Group enter into a settlement agreement with Mr Vholes on the commercial terms summarised in the advice of Whitfield Carter LLP, with the Group's negotiating position to reduce the non-competition covenant to no fewer than 9 months;
2. Mr Vholes be placed on garden leave with effect from 6 February 2026 until the Termination Date of 31 March 2026;
3. the headline cost of the settlement, estimated at approximately £254,000 plus employer's national insurance contributions, be approved; and
4. the Chief Operating Officer and the General Counsel be authorised to agree the final terms and to execute the settlement agreement on behalf of the Group.

## 4. Close

There being no further business, the meeting closed at 10.40 a.m.
