MINUTES of a meeting of the board of directors of the Company

Held at: Bracken House, Wellington Road, Birmingham B15 1AA (and by video conference)

Date: 16 January 2026

Time: 10.00 a.m.

Present: R. Calloway (General Counsel, in the chair); M. Ferris (Head of M&A); C. Pryce (Corporate Development); and three further directors constituting a quorum.

In attendance: S. Whitfield (Whitfield Carter LLP) and J. Osei (Whitfield Carter LLP).

1. QUORUM AND NOTICE

The Chairman noted that due notice of the meeting had been given and that a quorum was present. The meeting was accordingly declared open. The directors confirmed they had no interests to declare in the matters before the meeting save as previously notified under section 177 of the Companies Act 2006.

2. PROJECT DRAKE – PROPOSED ACQUISITION

The Chairman reminded the board that the purpose of the meeting was to consider and, if thought fit, approve the proposed acquisition by the Company of the entire issued share capital of Harwood Valve & Controls Limited (the "Target") for an enterprise value of £42,500,000 on a cash-free, debt-free basis (the "Acquisition").

There were tabled at the meeting: (i) the near-final form of the share purchase agreement (the "SPA"); (ii) the Disclosure Letter; (iii) the report of Whitfield Carter LLP on the legal due diligence; (iv) the report of Marlow Tax & Advisory Ltd on financial and tax due diligence; and (v) the draft funds flow statement.

3. DUE DILIGENCE

Mr Ferris summarised the principal findings of the due diligence exercise. He confirmed that no matter had been identified which materially affected the rationale for, or pricing of, the Acquisition, and that the matters of note (including the change-of-control consent required from Stratton Energy plc and the asbestos management plan at the Long Eaton site) had been addressed through specific disclosure, the consent process, and the warranty and indemnity package.

4. FINANCING

The Finance Director confirmed that the consideration would be funded from the Company's existing cash resources and its committed revolving credit facility, and that no shareholder approval was required for the Acquisition under the Listing Rules or the Company's articles.

5. RESOLUTIONS

IT WAS RESOLVED that:

1 the terms of the Acquisition and the SPA be and are hereby approved;

2 the entry by the Company into the SPA, the Disclosure Letter, the Escrow Letter and the other Transaction Documents be and is hereby approved;

3 any one director or the Company Secretary be and is hereby authorised to negotiate, agree, execute and deliver the Transaction Documents (and any ancillary documents) on behalf of the Company, with such amendments as he or she may approve;

4 any one director be and is hereby authorised to do all such acts and things as may be necessary or desirable to give effect to the Acquisition, including the payment of the consideration and the giving of any instructions to the Company's solicitors and bankers.

6. CLOSE

There being no further business, the Chairman declared the meeting closed.
