- Mr Richard Calloway (General Counsel & Company Secretary)

1 Quorum and Notice

1. The Chairman noted that due notice of the meeting had been given and that a quorum was present. The meeting was accordingly declared open and properly constituted. Each director confirmed that he or she had no interest to declare in the matters to be discussed, other than as a director of the Company, save as noted in the register of interests.

2 Purpose of the Meeting

2. The Chairman explained that the purpose of the meeting was to consider and, if thought fit, approve the proposed acquisition by the Company of the entire issued share capital of Greaves Precision Components Limited (“Greaves”) for a headline equity consideration of £25,400,000 (the “Acquisition”), and to authorise the execution of the related documents.

3 Documents Tabled

3. There were tabled at the meeting: (a) the agreed form share purchase agreement relating to the Acquisition (the “SPA”); (b) the agreed form Disclosure Letter; (c) the Escrow Agreement; (d) the service and consultancy agreements for the retained Greaves management; (e) the funds flow statement; and (f) the report on financial and legal due diligence prepared by the Company’s advisers.

4 Consideration and Funding

4. The board noted that the Acquisition would be funded from the Company’s existing cash resources and an undrawn portion of its revolving credit facility, and that £22,900,000 would be payable in cash at completion, £1,500,000 placed in escrow for 21 months and up to £1,000,000 payable as deferred earn-out consideration. The board was satisfied, having reviewed the due diligence findings, that the Acquisition was in the commercial interests of the Company and likely to promote the success of the Company for the benefit of its members as a whole.

5 Directors' Duties

5. The directors confirmed that they had considered their duties under sections 171 to 177 of the Companies Act 2006 and, having done so, considered that entry into the SPA and the related documents was most likely to promote the success of the Company.

6 Resolutions

6. IT WAS RESOLVED that: (a) the terms of the SPA and each of the related documents be and are approved; (b) any one director, or any director acting together with the Company Secretary, be and is authorised to execute the SPA and the related documents (and, where required, as a deed) on behalf of the Company; (c) the payment of the consideration in accordance with the funds flow statement be approved; and (d) the General Counsel be authorised to attend to all post-completion filings and stamping.

7 Close

7. There being no further business, the Chairman declared the meeting closed.
