1. Quorum and notice

The Chair noted that a quorum was present and that the meeting had been duly convened. The directors confirmed that they had no interests to declare in the business of the meeting beyond those previously notified.

2. Project Redwood — proposed acquisition

The Chair reported on the proposed acquisition of the freehold investment property known as Redwood House, 14 Aldersgate Street, London EC1A 4HD (the “Property”) from Hartmoor Estates Limited for a purchase price of £21,750,000 (exclusive of VAT), reflecting a net initial yield of 6.40% on the passing rent of £1,487,500 per annum across the four occupational tenancies.

Tom Beckworth summarised the acquisition due diligence, including the report on title and tenancies prepared by Whitfield Carter LLP, the outstanding 2024 rent review under the Mercer Wells lease (currently quoted at £792,000 per annum) and the tenant break option under the Aldgate Print Co lease in October 2027. The Board noted that the sale was structured as a transfer of a going concern and that the acquisition would be made through a newly incorporated wholly-owned special purpose vehicle, Calderfield Redwood Propco Limited (the “SPV”).

3. Funding

Jane Lefevre reported that the acquisition would be funded from the Company’s existing equity resources, with senior debt to be put in place at SPV level following completion. The Board noted the completion funds requirement of approximately £19,202,100 (after credit for the 10% deposit of £2,175,000) plus SDLT of £1,077,000 and costs.

4. Resolutions

IT WAS RESOLVED that:
