2. Background

The Chair reported that the Company had agreed terms with Marisdale Growth Partners LLP (as lead investor) and Westbridge Growth Capital LLP (as co-investor) for an investment of £18,000,000 by way of subscription for 6,000,000 Series B Preferred Shares at £3.00 per share, at a pre-money valuation of £42,000,000 and a post-money valuation of £60,000,000. The principal transaction documents had been circulated to the directors in advance.

3. Transaction documents

The board considered the following documents, copies of which were produced to the meeting and initialled by the Chair for identification:

- the Series B Subscription and Shareholders’ Agreement;
- the Investor Rights Agreement;
- the amended Articles of Association;
- the Disclosure Letter and Bundle;
- the funds flow statement and completion checklist.

4. Resolutions

IT WAS RESOLVED that:

1. the entry into and performance of the transaction documents be and are approved, and any director be authorised to execute them on behalf of the Company;
2. subject to and conditional upon the adoption of the amended Articles by the shareholders, 6,000,000 Series B Preferred Shares be allotted and issued to the Investors as set out in Schedule 2 to the Subscription Agreement, credited as fully paid, against receipt of the subscription monies of £18,000,000;
3. the disapplication of pre-emption rights in respect of that allotment, as approved by the shareholders, be noted;
4. the register of members and the PSC register be updated and share certificates issued; and
5. the Company's solicitors be instructed to make the requisite filings at Companies House (SH01, the special resolution and amended Articles, and the director-change forms).

5. Board composition

IT WAS RESOLVED that, with effect from completion, the person nominated by Marisdale Growth Partners LLP be appointed as the Investor Director, and that Westbridge Growth Capital LLP be permitted to appoint one board observer, in each case in accordance with the Subscription Agreement and the Articles. The recruitment of an independent non-executive director, to be appointed jointly by the Founders and the Lead Investor, was noted as outstanding.

6. Completion and close

The Chair confirmed that, the subscription monies having been received into the solicitors' client account and the conditions in the Subscription Agreement having been satisfied, completion of the Series B financing had taken place. There being no further business, the Chair declared the meeting closed.
