DATED 24 APRIL 2026

AMENDMENT AND RESTATEMENT AGREEMENT

relating to a Senior Facilities Agreement originally dated 14 June 2022

EXECUTION VERSION

BETWEEN

(1) **CALVERTON INDUSTRIES LIMITED** (company number 04127786), for itself and as agent for the other Obligors (the **"Company"**);

(2) **CALVERTON FASTENINGS LIMITED** (04980321) and **CALVERTON FLUID SYSTEMS LIMITED** (05221904) (the **"Guarantors"**);

(3) **ALDERMARSH NOMINEES LIMITED** (03388142) as **Subordinated Creditor**;

(4) **NORTHBANK PLC** as **Agent** and **Security Agent**; and

(5) **NORTHBANK PLC** as **Original Lender**, **Super-Senior Lender** and **Arranger**.

Recitals

(A) The parties are party to a senior facilities agreement originally dated 14 June 2022 (the "Original Facilities Agreement") providing a £42,000,000 term loan ("Facility A") and an £8,000,000 revolving credit facility (the "RCF").

(B) The Group breached the leverage and interest-cover covenants at the 31 December 2025 test date (the "Specified Defaults"), and the parties entered into a standstill and forbearance agreement dated 20 February 2026.

(C) Following an independent business review by Marlow Tax & Advisory Ltd, the parties have agreed to a consensual restructuring: (i) the amendment and restatement of the Original Facilities Agreement; (ii) a new-money super-senior facility of £12,000,000; (iii) the conversion of £6,000,000 of the Shareholder Loans into equity and the subordination of the residual £15,000,000; and (iv) the reset of the financial covenants.

1. Definitions

1. Terms defined in the Amended Facilities Agreement have the same meaning here. "Restructuring Effective Date" means 24 April 2026, being the date on which the Agent confirmed satisfaction of the conditions precedent in Schedule 3.

2. Effective date

2. The amendments and restatement take effect on the Restructuring Effective Date, the conditions precedent in Schedule 3 having been satisfied.

3. Amendment and restatement

3. With effect from the Restructuring Effective Date, the Original Facilities Agreement is amended and restated in the form of the Appendix. The principal

amendments are: (a) extension of the final maturity of Facility A and the RCF to 31 December 2029; (b) an increase in the Facility A margin to **4.50 per cent.** per annum over SONIA, subject to the ratchet in Schedule 1; (c) deferral of amortisation so that no scheduled repayment falls before 31 December 2026; and (d) the covenant, cash-sweep and information amendments in Schedules 1 and 2.

4. New-money super-senior facility

4. The Super-Senior Lender makes available a committed term loan of £12,000,000, drawable in up to three tranches to 31 December 2026, bearing interest at 5.50 per cent. per annum over SONIA, repayable in full on 31 December 2028, and ranking ahead of the Senior Liabilities under the Intercreditor Deed.

5. Reset financial covenants

5. Clause 21 of the Original Facilities Agreement is replaced by the reset covenants in Schedule 2, providing for: a testing holiday at June and September 2026; a maximum total leverage stepping down from 4.50x (December 2026) to 3.00x (December 2029); a minimum interest cover stepping up from 2.50x to 4.00x; a super-senior leverage cap of **0.60x**; and a minimum-liquidity covenant of £4,000,000. The equity-cure right is limited to **three** cures over the life of the facilities, each capped at £3,000,000 and applied only to Adjusted EBITDA, with no more than two cures in any 24-month period.

6. Debt-for-equity conversion and subordination

6. On the Restructuring Effective Date the Subordinated Creditor converted £6,000,000 of the Shareholder Loans into 6,000,000 new ordinary shares of £1.00 each, and subordinated the residual £15,000,000 to the Senior and Super-Senior Liabilities under the Deed of Subordination. Interest on the residual Shareholder Loans is capitalised (PIK) at 8.0 per cent. and not paid in cash before the Senior Discharge Date.

7. Security confirmation

7. Each Obligor confirmed its Transaction Security and entered into the security confirmation deed, the new debenture from Calverton Fluid Systems Limited and the legal charge over the Redditch freehold.

8. Fees

8. The Company paid on the Restructuring Effective Date an amendment and work fee of **£690,000** to the Agent, a commitment fee of **2.00 per cent.** per annum on the undrawn Super-Senior Facility, and the Finance Parties' legal and advisory costs including the fees of Pemberton Rowe LLP.

9. Waiver of Specified Defaults

9. With effect from the Restructuring Effective Date the Finance Parties waived the Specified Defaults and any Default arising solely from them. The waiver does not extend to any other Default.

10. Continuity, counterparts and governing law

10. Save as amended, the Finance Documents continue in full force. This Agreement may be executed in counterparts. It and any non-contractual obligations arising out of it are governed by English law, and the courts of England have exclusive jurisdiction.
