The Companies Act 2006

Company limited by shares

ARTICLES OF ASSOCIATION

of

CASPIAN TECHNOLOGIES LIMITED

Company number 11428637

Adopted by special resolution passed on 18 March 2026

---

1. PRELIMINARY

1.1 The model articles for private companies limited by shares in Schedule 1 to the Companies (Model Articles) Regulations 2008 apply to the Company, except in so far as they are modified or excluded by, or are inconsistent with, these Articles.

1.2 In these Articles: "Ordinary Shares" means ordinary shares of £0.0001 each; "Series Seed Preferred Shares" means the series seed preferred shares of £0.0001 each; "Series B Preferred Shares" means the series B preferred shares of £0.0001 each; and "Preferred Shares" means the Series Seed Preferred Shares and the Series B Preferred Shares together.

2. SHARE CAPITAL

2.1 The share capital of the Company is divided into Ordinary Shares, Series Seed Preferred Shares and Series B Preferred Shares, each having the rights and being subject to the restrictions set out in these Articles.

2.2 Immediately following the adoption of these Articles the issued share capital comprises 4,200,000 Ordinary Shares, 1,200,000 Series Seed Preferred Shares and 2,000,000 Series B Preferred Shares, together with an EMI option pool of 600,000 ordinary shares reserved for issue to employees (8,000,000 shares on a fully-diluted basis).

3. DIVIDENDS

3.1 The Series B Preferred Shares do not carry any fixed or preferential dividend, but no dividend or other distribution may be declared or paid on the Ordinary Shares unless an equivalent amount (on an as-converted basis) is declared on the Series B Preferred Shares, and no dividend may be declared without the consent required under Article 9.

4. RETURN OF CAPITAL (LIQUIDATION PREFERENCE)

4.1 On a return of assets on liquidation, a sale of the Company, or an asset sale (each a "Liquidity Event"), the assets available for distribution shall be applied in the following order of priority:

(a) first, in paying to the holders of the Series B Preferred Shares an amount equal to the Subscription Price of £10.00 per share (the "Series B Preference"), being a 1x non-participating preference;

(b) secondly, in paying to the holders of the Series Seed Preferred Shares the amount paid up on those shares;

(c) thirdly, the balance to the holders of the Ordinary Shares pro rata.

4.2 A holder of Series B Preferred Shares may instead elect to convert into Ordinary Shares and participate pro rata under Article 4.1(c) where that would yield a greater amount; the Series B Preference is non-participating and a holder may not take both.

5. VOTING

5.1 Subject to Article 9, each share carries one vote on a poll on an as-converted basis. The Series B Preferred Shares vote together with the Ordinary Shares as a single class except where a separate class consent is required by these Articles or by law.

6. CONVERSION

6.1 Each Series B Preferred Share is convertible at the option of the holder into one Ordinary Share (subject to adjustment under Article 7), and converts automatically immediately before a qualifying initial public offering.

7. ANTI-DILUTION

7.1 If the Company issues Ordinary Shares (or shares convertible into Ordinary Shares) at a subscription price per share less than the Series B Subscription Price (a "Down Round"), the conversion rate of the Series B Preferred Shares shall be adjusted on a broad-based weighted-average basis in accordance with the formula in Article 7.2, subject to carve-outs for Permitted Issues.

7.2 The adjusted conversion price shall be: CP2 = CP1 × (A + B) ÷ (A + C), where CP1 is the conversion price in effect before the issue, A is the number of shares in issue (as converted) before the issue, B is the number of shares that the aggregate consideration received would purchase at CP1, and C is the number of new shares actually issued.

8. PRE-EMPTION ON ALLOTMENT

8.1 Save in respect of Permitted Issues, new shares shall first be offered to the holders of Preferred Shares pro rata to their holdings (as converted), on the terms set out in this Article, before being offered to any other person.

9. INVESTOR CONSENT MATTERS

9.1 For so long as the Investor holds not less than 10% of the issued share capital, the Company shall not, without the prior written consent of the holders of a majority of the Series B Preferred Shares, undertake any of the matters set out in the schedule of consent matters in the Investor Rights Agreement, including the creation or issue of shares, borrowings in excess of £2,000,000 in aggregate, related-party transactions, and any amendment to these Articles.

10. TRANSFER OF SHARES

10.1 No share may be transferred except in accordance with these Articles. A proposed transfer is subject to rights of first refusal in favour of the existing shareholders, who may acquire the relevant shares at the transfer price.

10.2 Permitted transfers (including transfers to privileged relations, family trusts, and (in the case of the Investor) to its affiliates and connected funds) may be made without triggering the rights of first refusal.

11. DRAG-ALONG AND TAG-ALONG

11.1 If the holders of more than 60% of the shares (including the Investor) accept a bona fide arm's-length offer for the whole of the issued share capital, they may require all other shareholders to transfer their shares to the offeror on the same terms (the drag-along right).

11.2 No transfer of a controlling interest may be made unless the offeror has first offered to acquire the Investor's shares on the same terms (the tag-along right).

12. LEAVER PROVISIONS

12.1 A Founder who ceases to be an employee or director is a "Leaver". A bad Leaver may be required to transfer his unvested shares at the lower of cost and fair value, and a good Leaver at fair value, in each case as determined under these Articles, with vesting measured over the period ending on the third anniversary of 18 March 2026.

13. DIRECTORS

13.1 For so long as it holds not less than 10% of the issued share capital, the Investor is entitled to appoint and remove one director (the Investor Director) and one observer, by written notice to the Company.

14. GENERAL

14.1 The liability of the members is limited to the amount, if any, unpaid on the shares held by them. The Company may indemnify its directors to the fullest extent permitted by the Companies Act 2006 and may maintain directors' and officers' insurance.
