CASPIAN TECHNOLOGIES LIMITED

(Registered in England and Wales No. 11842207)

MINUTES OF A MEETING OF THE BOARD OF DIRECTORS

Held at 14 Provost Street, London N1 7NG (and by video-conference) on 19 February 2026 at 10.00 a.m.

Present: Henry Larsson (Chair & CEO); Maya Patel (CFO); Theo Eriksson (CTO); Sofia Trevino (General Counsel & Director). **In attendance:** Sarah Whitfield and Elena Marchetti (Whitfield Carter LLP).

1. QUORUM AND DECLARATIONS OF INTEREST

The Chair noted that a quorum was present and the meeting was duly convened. No director declared any interest in the matters to be considered requiring abstention.

2. PROJECT UMBRA — PATENT AND SOFTWARE LICENCE

The board considered the proposed exclusive patent and software licence of the AtlasMRV platform and the AtlasMRV Patent Family to Hollencroft Industrial Group plc. The General Counsel summarised the agreed commercial terms: an upfront fee of £1,250,000; a running royalty of 7.5% of Net Revenue; minimum annual royalties rising to £750,000; an aggregate liability cap of the greater of £3,000,000 or 150% of fees, with a separate IP indemnity cap of £5,000,000; an initial term of five years; and source-code escrow with NCC Group.

Whitfield Carter confirmed that IP diligence on the Patent Family was complete, that Hartington IP had provided validity and freedom-to-operate confirmation on 16 February 2026, and that the Disclosure Letter fairly disclosed the matters arising on the warranties.

3. RESOLUTIONS

IT WAS RESOLVED that: (a) entry into the Patent and Software Licence Agreement with Hollencroft Industrial Group plc, the Disclosure Letter and the Source Code Escrow Agreement, substantially in the agreed forms, be and is hereby approved; (b) any one director be authorised to agree final non-material amendments and to execute the agreements; and (c) the upfront fee invoice be issued on signing.

4. CLOSE

There being no further business the meeting closed at 10.40 a.m.

…….. Chair

Henry Larsson
