Present

- Daniel Reeve (Chair)
- Priya Anand

In attendance: Sarah Whitfield and James Osei of Whitfield Carter LLP.

1. Quorum and notice

The Chair noted that a quorum was present and that the meeting had been duly convened. The directors confirmed that they had received notice of the meeting and the board papers, including the form of the Share Purchase Agreement and ancillary documents.

2. Declarations of interest

The directors confirmed that, having considered the matters to be discussed, they had no interests to declare under section 177 of the Companies Act 2006 beyond those previously notified.

3. The Acquisition

The Chair reported that the Company proposed to acquire the entire issued share capital of Harrowgate Precision Castings Limited (the "Target") for an aggregate consideration of £38,200,000 (subject to adjustment), of which £35,200,000 was payable in cash on Completion and £3,000,000 was deferred. The board reviewed the principal terms of the Share Purchase Agreement, the Disclosure Letter, the W&I insurance policy and the funds flow statement.

4. Financing

The board noted that the cash consideration would be funded by equity subscription from Crestview Capital's managed funds and a senior facility provided to the Company. The directors were satisfied that, taking into account the available facilities, the Company would be able to meet the consideration and associated costs.

5. Resolutions

IT WAS RESOLVED that:

(a) the acquisition of the Target on the terms of the Share Purchase Agreement be and is hereby approved;

(b) the Share Purchase Agreement, the Disclosure Letter acknowledgement, the W&I insurance policy and all other documents in the agreed form be and are hereby approved, and any director be authorised to execute the same on behalf of the Company;
