2. Purpose

The Chair explained that the purpose of the meeting was to consider and, if thought fit, approve the acquisition by the Company of the entire issued share capital of Westmere Coatings Limited (company number 03871266) (the “Target”) pursuant to a share purchase agreement (the “SPA”) and the matters incidental to it (together “Project Willow”).

The directors confirmed they had had the opportunity to review each document.

The directors noted that the consideration payable under the SPA comprised an enterprise value of £42,500,000, adjusted for estimated net debt of £3,200,000 and an estimated working-capital adjustment of £250,000, giving an estimated equity consideration of £39,550,000, of which £2,000,000 would be retained in a joint retention account for 18 months and the balance of £37,550,000 paid in cash at completion. The directors noted that the Sellers’ aggregate liability for breach of the business warranties was capped at 25% of the consideration (£9,887,500).
