HALSTEAD AEROSPACE LIMITED

(Company number 06214883)

MINUTES OF A MEETING OF THE BOARD OF DIRECTORS

Date: 3 December 2025

Time: 14:00

Place: Registered office, Pinewood Manufacturing Park, Filton, Bristol BS34 7PA, and by video-conference

Present: Robert Falconer (Chair, CEO); Grace Underwood (Group Finance Director); Dr Priya Saxena (Director of Quality); Michael Trent (Non-Executive Director); Helen Forsythe (Operations Director)

In attendance: James Osei (Whitfield Carter LLP) by invitation for item 3; Sandra Pell (Company Secretary)

1. QUORUM AND DECLARATIONS OF INTEREST

The Chair noted that a quorum was present and declared the meeting open. No director declared any interest in the matters to be considered other than as previously disclosed.

2. MINUTES OF THE PREVIOUS MEETING

The minutes of the meeting held on 5 November 2025 were approved as a correct record and signed by the Chair.

3. PROJECT CEDAR — CALDERA MOBILITY MANUFACTURING & SUPPLY AGREEMENT

The Chair invited the Group Finance Director to introduce the proposed manufacturing and supply agreement (the "Agreement") with Caldera Mobility Systems plc for the supply of composite airframe assemblies for the CM-7 eVTOL aircraft. The Board noted the principal terms: a five-year initial term; a Year-1 unit price of £148,500 per shipset with volume discounts; a minimum Year-1 commitment by Caldera of 60 shipsets; a non-recurring engineering and tooling charge of £2,400,000; and a liability cap of 125% of trailing 12-month charges (subject to a £9,000,000 first-year floor) with carve-outs for the IPR and product-liability indemnities.

James Osei of Whitfield Carter LLP summarised the legal due diligence and the negotiation outcome, including the narrowing of the exclusivity provision to the specific CM-7 assemblies, the tightening of the intellectual property licence-back in Halstead's favour, and the requirement to maintain aviation products liability insurance of not less than £25,000,000. The Board reviewed the final form of the Agreement, the Quality Agreement and the first Statement of Work.

The Group Finance Director confirmed that the contract was expected to generate revenue of approximately £8.9 million in the first contract year and that the tooling investment was within the approved capital budget. The Director of Quality confirmed that the build standard and first-article inspection plan were consistent with the company's EN 9100 approvals.

4. RESOLUTIONS

IT WAS RESOLVED that:

(A) the entry by the Company into the Manufacturing and Supply Agreement with Caldera Mobility Systems plc, the Quality Agreement and Statement of Work No. 1, substantially in the forms produced to the meeting, be and is hereby approved;

(B) any one director, or any director acting together with the Company Secretary, be and is hereby authorised to execute the Agreement and all related documents on behalf of the Company; and

(C) the Group Finance Director be and is hereby authorised to agree any minor amendments to the final documents as may be necessary to complete the transaction.

5. ANY OTHER BUSINESS AND CLOSE

There being no further business, the Chair declared the meeting closed.

Signed: .....
Robert Falconer — Chair
