HARROW PRECISION ENGINEERING LIMITED

(the “Company”) · Registered number 03487612

MINUTES OF A MEETING OF THE BOARD OF DIRECTORS

held at Brookfield Works, Ashworth Road, Trafford Park, Manchester M17 1RJ
on 7 April 2026 at 10.00 a.m.

Present:
Gavin Harrow (Managing Director) (Chair)

Rebecca Lund (Finance Director)

Martin Calloway (Quality & Production Director)

Naomi Patel (Company Secretary) (in attendance)

1. Quorum and notice. The Chair noted that a quorum was present and that due notice of the meeting had been given. The Chair declared the meeting open.

2. Declarations of interest. The directors confirmed that they had no interests to declare in relation to the business of the meeting beyond their interests as directors and shareholders of the Company.

3. Background. The Chair reported on the proposed Master Manufacture and Supply Agreement (the “Agreement”) between the Company and Calderwater Utilities Limited (“Calderwater”), under which the Company would supply centrifugal and submersible pump sets, control equipment, spares and associated services to Calderwater for a term of five years, with an estimated annual order value of approximately £4.2 million and a minimum annual commitment by Calderwater of £3,500,000 (ex VAT).

4. Negotiation. The Finance Director and the Company’s solicitors, Whitfield Carter LLP, summarised the principal commercial terms as finally negotiated, including: an aggregate limitation of the Company’s liability of £4,000,000 (with a separate £5,000,000 sub-cap on the intellectual-property indemnity); a shortfall payment of 8% of any annual shortfall against the minimum commitment; annual price indexation to CPI capped at 4%; payment terms of 45 days; liquidated damages for late delivery of 0.5% per week capped at 10%; and a 24-month warranty. The Board noted that these terms were acceptable and consistent with the Company’s standard risk parameters and insurance cover.

5. Consideration. The Board considered the terms of the Agreement and the related schedules (technical specification, service levels and pricing model), copies of which had been circulated. The Board was satisfied that entry into the Agreement was likely to promote the success of the Company for the benefit of its members as a whole, having regard to the matters set out in section 172 of the Companies Act 2006.

6. Resolutions. IT WAS RESOLVED that: (a) the terms of the Agreement be and are approved; (b) the Managing Director, Gavin Harrow, be and is authorised to execute the Agreement and any related documents on behalf of the Company, with such non-material amendments as he may agree; and (c) any one director be authorised to take all such further steps as may be necessary or desirable to give effect to the Agreement.

7. Close. There being no further business, the Chair declared the meeting closed.
