2.1 In consideration of the Licensee's obligations under this Agreement, the Licensor grants to the Licensee an exclusive (even as to the Licensor), royalty-bearing licence under the Licensed Patents and the Licensed Know-How to research, develop, make, have made, use, import, market, sell and otherwise commercialise Licensed Products in the Field in the Territory during the Term.

2.2 The Licensee may grant sub-licences of its rights under clause 2.1 to its Affiliates and to third parties, provided that (a) each sub-licence is consistent with, and subordinate to, this Agreement; (b) the Licensee remains responsible for its sub-licensees' acts and omissions; and (c) the Licensee provides the Licensor with a copy of each third-party sub-licence (which may be redacted as to commercially sensitive financial terms) within 30 days of execution.

2.3 The Licensor retains the right to use the Licensed Patents and Licensed Know-How solely to perform its obligations under this Agreement and for internal non-commercial research outside the Field.

2.4 No rights are granted other than as expressly set out in this Agreement. No licence is granted by implication, estoppel or otherwise.

3. Financial provisions

3.2 Development milestones. The Licensee shall pay the Licensor the following non-refundable, non-creditable milestone payments on first achievement of each event by a Licensed Product (each payable once only): (a) initiation of the first Phase II clinical trial — £3,000,000; (b) initiation of the first Phase III clinical trial — £8,000,000; (c) grant of the first EMA marketing authorisation — £15,000,000; and (d) grant of the first FDA marketing approval — £18,000,000.

3.4 Royalties. The Licensee shall pay the Licensor running royalties on annual worldwide Net Sales of Licensed Products at the tiered rates set out in Schedule 4, namely 8% on the portion of annual Net Sales up to £100,000,000; 11% on the portion above £100,000,000 up to £250,000,000; and 14% on the portion above £250,000,000.

Royalties are payable on a Licensed-Product-by-Licensed-Product and country-by-country basis until the later of (a) expiry of the last Valid Claim covering that Licensed Product in that country, and (b) 10 years from first commercial sale of that Licensed Product in that country, after which the licence in respect of that product and country becomes fully paid-up and royalty-free.

3.6 Reports and payment. Within 45 days of the end of each calendar quarter the Licensee shall deliver a royalty report and pay the royalties due. Late payments bear interest at 3% above the base rate of the Bank of England.

3.7 Records and audit. The Licensee shall keep accurate records and, on not less than 20 business days' notice and not more than once in any 12-month period, permit an independent accountant appointed by the Licensor to audit those records. The Licensor bears the cost of the audit unless it reveals an underpayment of more than 5%, in which case the Licensee bears the reasonable cost.

3.8 Taxes. All sums are exclusive of VAT. If the Licensee is required to withhold tax, it shall use reasonable efforts to assist the Licensor to obtain any available relief under an applicable double-taxation treaty.

Without limiting the foregoing, the Licensee shall initiate the first Phase II clinical trial of a Licensed Product no later than 30 June 2028 (the "Diligence Long-Stop Date"), failing which the Licensor may, on 60 days' notice, convert the licence under clause 2 to a non-exclusive licence.

4.2 Within 60 days of the date of this Agreement the Licensee shall provide the Licensor with an initial development plan, and shall update it annually. The Licensee shall provide an annual written progress report covering development, regulatory and commercialisation activities.

4.3 If the Licensor reasonably considers that the Licensee has failed to use Commercially Reasonable Efforts, the matter shall be referred to the Joint Steering Committee before any party may treat it as a material breach.

5. Joint Steering Committee

5.1 The Parties shall establish a Joint Steering Committee ("JSC") comprising two representatives of each Party to oversee and co-ordinate activities under this Agreement. The JSC shall meet at least twice a year.

Whitfield Carter LLP is a limited liability partnership registered in England and Wales (OC384217). Confidential and may be legally privileged.

5.2 The JSC operates by consensus. It has no power to amend this Agreement. Where the JSC cannot reach consensus on a development or regulatory matter, the Licensee has the casting decision, acting reasonably and consistently with clause 4.

6. Patent prosecution, maintenance and enforcement

6.1 The Licensee shall have the first right, at its cost, to control the prosecution and maintenance of the Licensed Patents, keeping the Licensor reasonably informed and consulting on material steps. If the Licensee elects not to maintain any Licensed Patent, it shall give the Licensor 60 days' notice so the Licensor may assume its maintenance.

6.2 Each Party shall promptly notify the other of any actual or suspected infringement of the Licensed Patents in the Field. The Licensee shall have the first right (but not the obligation) to bring infringement proceedings at its cost and to retain any recovery, subject to reimbursing the Licensor's reasonable costs and accounting to the Licensor for the royalty element of any damages as if they were Net Sales.

6.3 Each Party shall provide reasonable assistance to the other in any proceedings, including being joined as a party where necessary.

7. Improvements

7.1 Each Party shall promptly disclose to the other any Improvement it makes. Improvements made solely by the Licensee are owned by the Licensee. Improvements made solely by the Licensor that are within the scope of the Licensed Compounds are included in the Licensed IP at no additional charge.

7.2 Improvements made jointly are owned jointly, and each Party may exploit them subject to this Agreement; for clarity, the Licensee's exploitation of joint Improvements in the Field remains royalty-bearing under clause 3.

8. Confidentiality

8.1 Each Party shall keep confidential, and shall not use other than for the purposes of this Agreement, all confidential information of the other Party, including the terms of this Agreement and the Licensed Know-How. This obligation continues for 10 years after termination.

8.2 The Mutual Confidentiality Agreement between the Parties dated 18 September 2025 is superseded by this clause 8 in respect of disclosures made on or after the date of this Agreement.

9. Warranties

9.1 Each Party warrants that it has the power to enter into and perform this Agreement and that doing so does not breach any other agreement binding on it.

9.2 The Licensor warrants that it is the sole legal and beneficial owner of, or otherwise Controls, the Licensed Patents and the Licensed Know-How and has the right to grant the Licence, save as fairly disclosed in the Disclosure Schedule.

9.3 The Licensor warrants that, save as fairly disclosed, the Licensed Patents are not subject to any mortgage, charge, lien or other encumbrance, and no licences other than as disclosed have been granted.

Whitfield Carter LLP is a limited liability partnership registered in England and Wales (OC384217). Confidential and may be legally privileged.

9.4 The Licensor warrants that, so far as it is aware and save as fairly disclosed, there are no pending or threatened proceedings, oppositions or challenges to the validity, subsistence or ownership of the Licensed Patents.

9.5 The Licensor warrants that, save as fairly disclosed, it has not granted any licence or option over the Licensed IP in the Field that conflicts with this Agreement.

9.6 The Licensor warrants that, so far as it is aware and save as fairly disclosed, the exploitation of the Licensed Compounds in the Field as currently contemplated does not infringe the intellectual property rights of any third party.

9.7 Except as expressly set out in this Agreement, all warranties, conditions and terms implied by statute or common law are excluded to the fullest extent permitted by law. In particular, the Licensor gives no warranty that any Licensed Patent will be granted or, if granted, will be valid, or that any Licensed Product will be safe, efficacious or capable of regulatory approval.

10. Indemnity

10.1 The Licensee shall indemnify the Licensor against all liabilities, costs and expenses arising out of the development, manufacture, use or sale of Licensed Products by or on behalf of the Licensee or its sub-licensees, except to the extent caused by the Licensor’s breach of warranty or negligence.

10.2 The Licensee shall maintain product-liability and clinical-trial insurance appropriate to its activities and shall provide evidence of cover on reasonable request.

11. Limitation of liability

11.1 Nothing in this Agreement excludes or limits either Party’s liability for death or personal injury caused by negligence, for fraud, or for any other liability that cannot lawfully be excluded or limited.

11.2 Subject to clause 11.1, neither Party is liable for any indirect or consequential loss, or for loss of profit, revenue, anticipated savings or goodwill, whether in contract, tort or otherwise.

11.3 Subject to clauses 11.1 and 11.2, the aggregate liability of either Party under or in connection with this Agreement shall not be limited in respect of the Licensor’s liability for breach of the Warranties in clauses 9.2 to 9.6 (ownership, encumbrances, no challenges, no conflicting grants and freedom to operate) or either Party’s breach of clause 8 (confidentiality), and in all other respects shall not exceed an amount equal to the greater of (a) £10,000,000 and (b) all sums paid and payable by the Licensee under this Agreement in the 12 months preceding the event giving rise to the claim.

12. Term and termination

12.1 This Agreement takes effect on its date and, unless terminated earlier, continues until expiry of the last royalty obligation under clause 3.5, whereupon the licence becomes perpetual, fully paid-up and royalty-free.

12.2 Either Party may terminate by written notice if the other commits a material breach which is irremediable or, if remediable, is not remedied within 60 days of notice, or if the other becomes insolvent.

Whitfield Carter LLP is a limited liability partnership registered in England and Wales (OC384217). Confidential and may be legally privileged.

12.3 The Licensee may terminate this Agreement for convenience on 90 days' written notice, in which case accrued payment obligations survive but no further milestone or royalty accrues after the effective date of termination.

12.4 On termination by the Licensor for the Licensee's material breach, the licence granted under clause 2 terminates, the Licensee shall cease exploitation of the Licensed IP (subject to a 6-month sell-off of existing stock), and shall, at the Licensor's request and on fair terms, transfer or grant a right of reference to regulatory filings for Licensed Products.

12.5 Clauses 1, 3.7, 8, 9.7, 10, 11, 13 and 14 survive termination.

13. General

13.1 Assignment. Neither Party may assign or otherwise deal with this Agreement without the other's prior written consent, save that either Party may assign to an Affiliate or to a successor of all or substantially all of the relevant business on notice.

13.2 Entire agreement. This Agreement and the documents referred to in it constitute the entire agreement between the Parties and supersede all prior arrangements, including the term sheet dated 3 October 2025, save as expressly preserved.

13.3 Variation. No variation is effective unless in writing and signed by or on behalf of each Party.

13.4 Notices. Notices must be in writing and delivered by hand, pre-paid first-class post or email to the addresses notified by each Party from time to time.

13.5 Third-party rights. A person who is not a Party has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

13.6 Counterparts. This Agreement may be executed in counterparts, each of which is an original and which together constitute one agreement, and may be executed and delivered by electronic signature.

14. Governing law and jurisdiction

14.1 This Agreement and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it are governed by and construed in accordance with the law of England and Wales.

14.2 The Parties irrevocably submit to the exclusive jurisdiction of the courts of England and Wales.
