HARTWELL PHARMA LIMITED

Minutes of a meeting of the Board of Directors — Company number 07788451

Date: 24 September 2025 **Time:** 14:00 **Venue:** Hartwell House, 8 Devonshire Square, London EC2M 4PL (and by video)

Present

Dr Helena Vance (Chair, Chief Executive Officer); Gregory Mercer (Chief Financial Officer); Naomi Adeyemi (General Counsel & Company Secretary); Dr Stephen Okoro (Chief Scientific Officer); and two non-executive directors. Sarah Whitfield and James Osei of Whitfield Carter LLP attended by invitation.

1. Quorum and conflicts

The Chair confirmed a quorum was present. No director declared any interest in the proposed transaction requiring disclosure under the Companies Act 2006 or the Company's articles.

2. Project Vertex — proposed patent licence and assignment

The Board considered the proposed exclusive worldwide licence and assignment of patent rights from Calbryn Therapeutics Limited in respect of the CBX-417 oncology programme. The General Counsel summarised the principal terms: an upfront fee of £6,500,000; up to £54,000,000 in development, regulatory and sales milestones; tiered royalties of 6% to 12% on net sales; and outright assignment of two improvement patent families. The Board reviewed the freedom-to-operate report from Whitfield Carter LLP dated 8 August 2025 and the near-final Disclosure Letter.

3. Consideration

The Board discussed the scientific rationale, the strength of the composition-of-matter protection to 2037, the matters raised in the disclosure exercise (the Meridian research licence and the historic Pemberton Rowe enquiry), and the financial model presented by the Chief Financial Officer. The Board was satisfied that the transaction was in the best interests of the Company and its shareholders as a whole.

4. Resolutions

IT WAS RESOLVED that: (a) the Patent Licence Agreement and the Deed of Assignment, in the forms tabled, be and are hereby approved; (b) any one director be authorised to agree final amendments and to execute the agreements on behalf of the Company; and (c) the upfront fee of £6,500,000 be paid in accordance with the agreed funds-flow upon completion.

There being no further business, the Chair declared the meeting closed.
