KINGSFORD GROUP LIMITED

(Company number 07731220)

MINUTES of a meeting of the board of directors held at Kingsford House, 5 Aldermanbury Square, London EC2V 7HR on 4 March 2026 at 10.00 a.m.

Present

• Charles Aldous (Chair)

• Miriam Cole (Chief Financial Officer)

• Nathan Reilly (Head of M&A; / Corporate Development)

• Geraldine Vox (Non-Executive Director)

In attendance: Sarah Whitfield and James Osei (Whitfield Carter LLP); Patricia Vane (Company Secretary, minuting).

1. Quorum and notice

The Chair noted that due notice of the meeting had been given and that a quorum was present. The Chair declared the meeting open and competent to transact the business set out in the agenda.

2. Declarations of interest

The directors confirmed that, save as previously disclosed, none had any interest in the matters to be considered requiring declaration under section 177 of the Companies Act 2006 or the Company's articles of association.

3. Project Quartz — proposed acquisition

The Chair reminded the board of the proposed acquisition by the Company's wholly-owned subsidiary, Kingsford Wellness Bidco Limited (the "Buyer"), of the entire issued share capital of Holbeck Spa & Wellness Group Limited (the "Target") for an enterprise value of £38,500,000 on a cash-free, debt-free basis, giving an equity value of £35,300,000 after deduction of estimated Net Debt of £3,200,000. Nathan Reilly summarised the commercial rationale: the acquisition extends the Group's leisure portfolio into the premium day-spa and wellness segment, is complementary to Brampton Leisure and is expected to be earnings-accretive in the first full year following integration.

4. Due diligence

The board received the report of Whitfield Carter LLP on the legal due diligence and the report of Marlow Tax & Advisory Ltd on financial and tax due diligence. Sarah Whitfield drew the board's attention to the key findings, including the outstanding Harrogate rent review, the Sentvia supply agreement and the R&D; tax-credit claim, each of which was addressed by warranty protection, specific disclosure or the completion-accounts mechanism. The board was satisfied that the diligence findings had been adequately addressed.

5. Transaction documents

There were produced to the meeting drafts of (a) the Share Purchase Agreement; (b) the Disclosure Letter; (c) the Tax Covenant; (d) the Escrow Agreement; and (e) the transitional consultancy agreement with Daniel Holbeck. The board reviewed the principal terms, including the £1,750,000 escrow retained for 18 months, the de minimis of £35,000, the basket of £450,000 and the warranty cap of £8,825,000

(25 per cent. of the consideration).

6. Funding

Miriam Cole reported that the consideration and transaction costs of approximately £37.5 million would be funded by a £15,000,000 acquisition facility from Clydesford Bank plc and the balance of £22,524,500 from the Group's existing cash resources, as set out in the funds flow statement tabled at the meeting.

7. Buyer's guarantee

The board considered the guarantee to be given by the Company under clause 14 of the Share Purchase Agreement in respect of the Buyer's payment obligations and was satisfied that the giving of the guarantee was in the best interests of the Company and likely to promote the success of the Company for the benefit of its members as a whole.

8. Resolutions

IT WAS RESOLVED that:

(a) the acquisition of the Target on the terms summarised above be and is hereby approved;

(b) the entry by the Company into the Share Purchase Agreement as Buyer's Guarantor, and the giving of the guarantee under clause 14, be and is hereby approved;

(c) the acquisition facility from Clydesford Bank plc and the related finance documents be and are hereby approved;

9. Close

There being no further business, the Chair declared the meeting closed.
