The Chair noted that a quorum was present and the meeting was duly convened. Each director confirmed the nature and extent of any interest in the matters to be considered, in accordance with section 177 of the Companies Act 2006 and the Company's articles, and it was resolved that the interested directors could count in the quorum and vote, the Company having authorised such interests.

2. Purpose of the meeting

The Chair explained that the purpose of the meeting was to approve the Series A financing led by Ravensworth Ventures LLP, under which the Company would issue 1,000,000 Series A Preferred Shares at £10.00 per share for an aggregate subscription of £10,000,000, and to approve the related transaction documents, resolutions and filings (the "Transaction").

3. Documents tabled

There were produced to the meeting the following documents in the agreed form:

- the Series A Subscription and Shareholders' Agreement;
- the Amended and Restated Articles of Association;
- the Investors' Rights Agreement and the Ravensworth side letter;
- the Disclosure Letter and Disclosure Bundle;
- the Founder service agreements for Dr Wren and Dr Rao;

4. Consideration and approval

The directors reviewed the principal terms of the Transaction, including the valuation (£30m pre-money / £40m post-money), the investor protections, the board composition, the enlarged option pool and the warranty and disclosure position. The directors considered that the Transaction was in the best interests of the Company and was likely to promote its success for the benefit of its members as a whole, having regard to the matters in section 172 of the Companies Act 2006.

5. Resolutions

IT WAS RESOLVED that:
