MARCHWOOD PROPERTY GROUP LIMITED

Company number 07215566 (the "Company")

MINUTES of a meeting of the board of directors

Held at	55 Baker Street, London W1U 8EW (and by video-conference)
Date and time	Monday 27 April 2026, 10.00 a.m.
Present	Daniel Hartley (Chair), Caroline Hartley, Nilesh Varma (directors)
In attendance	Priya Sandhu (Company Secretary)

1. Notice, quorum and conflicts

The Chair noted that due notice of the meeting had been given, that a quorum was present and that the meeting was duly convened. Each director confirmed that, having considered the matters set out in the agenda, they had no interest requiring disclosure under section 177 of the Companies Act 2006 other than as already recorded in the register of interests.

2. Purpose

The Chair explained that the purpose of the meeting was to consider and, if thought fit, approve the acquisition by the Company of the freehold investment known as Ashby House, 40 Curzon Street, London W1J 7TL (the "Property") from Westmoreland Property Holdings Limited at a price of £24,750,000 (the "Acquisition"), and to authorise the entry into and completion of the contract, transfer, rent deposit deed and ancillary documents (together the "Transaction Documents").

3. Documents and reports considered

There were produced to the meeting: (a) the report on title from Whitfield Carter LLP dated 22 April 2026; (b) the form of sale contract incorporating the Standard Commercial Property Conditions (Third Edition — 2018 Revision); (c) the tenancy schedule showing a gross passing rent of £1,608,750 per annum; (d) the acquisition cost and yield model showing a net initial yield of approximately 5.97% on gross cost; and (e) the draft completion statement. The directors confirmed that they had had the opportunity to review these documents.

4. Consideration and commercial rationale

The board discussed the rationale for the Acquisition, including the quality of the West End location, the income profile and weighted average unexpired lease term, the reversionary potential against an estimated rental value of £1,742,000 per annum, and the proposed funding from the Company's own resources together with drawings under the existing facility with Pennine Business Bank plc. The board considered the VAT/TOGC treatment, the Stamp Duty Land Tax of £1,227,000, and the principal risks identified in the report on title, including the existing charge to be discharged, the service-charge retention of £100,000 and the recommendation to consider restrictive-covenant indemnity insurance. After due and careful consideration the board concluded that the Acquisition was in the best interests of the Company and likely to promote its success for the benefit of its members as a whole (section 172, Companies Act 2006).

5. Resolutions

IT WAS RESOLVED that:

- the Acquisition of the Property at a price of £24,750,000 on the terms of the Transaction Documents be and is hereby approved;
- the Company exercise the option to tax the Property and notify HM Revenue & Customs, and take all steps necessary to preserve transfer-of-a-going-concern treatment;

- any one director, or any director acting together with the Company Secretary, be and is hereby authorised to agree the final form of, and to execute and deliver (and where required as a deed) the Transaction Documents and any ancillary documents, and to agree any amendments thereto;

6. Close
