Contract rate	2% per annum above the base lending rate of Clydesford Bank plc
Purchase price	£21,750,000 (exclusive of VAT, if any)
Deposit	£2,175,000 (10% of the Purchase Price)
VAT	The sale is a transfer of a going concern (clause 9)

Agreed terms

1. Definitions and interpretation

1. In this contract, unless the context otherwise requires:

1.1 "Completion Date" means the date for completion specified in the Particulars; "Conditions" means the Standard Commercial Property Conditions (Third Edition — 2018 Revision); "Leases" means the eight occupational leases listed in Schedule 1; "Rent Deposit Deeds" means the rent deposit deeds relating to Units 2 and 5 listed in Schedule 2; "Transfer" means the transfer of the Property to the Buyer in the form annexed; and "VAT" means value added tax.

1.2 The Conditions are incorporated into this contract so far as they are not varied by or inconsistent with the express terms of this contract. Where there is a conflict, the express terms prevail. References to a numbered condition are to the corresponding condition of the Conditions.

1.3 Words importing the singular include the plural and vice versa, and a reference to a statute includes any subordinate legislation made under it as amended or re-enacted.

2. Agreement for sale

1.4 The Seller will sell and the Buyer will buy the Property for the Purchase Price subject to and with the benefit of the Leases and the incumbrances set out in the Particulars.

1.5 The Property is sold subject to and with the benefit of the matters contained or referred to in the property and charges registers of the registered title (other than financial charges and any entries to be removed on or before completion) and the rights and reservations affecting the Property.

3. Deposit

1.6 On the date of this contract the Buyer will pay the Deposit to the Seller's conveyancer by electronic means from an account held in the name of a conveyancer. The Deposit is to be held by the Seller's conveyancer as stakeholder.

1.7 The Deposit is paid in part payment of the Purchase Price. Condition 2.2 is varied accordingly so that the Deposit is held as stakeholder and not as agent for the Seller.

4. Title

1.8 The Property has a registered title and title has been deduced to the Buyer before the date of this contract by official copies of the register and title plan. The Buyer is treated as having full knowledge of the matters disclosed and may raise no requisition or objection in respect of them after exchange, save in respect of any matter registered after the date of the official copies supplied.

1.9 The Transfer will be in the form annexed to this contract and will be executed by the Seller with full title guarantee. The Buyer will not require the Seller to enter into any covenant for title other than those implied by the use of the words "with full title guarantee".

5. Tenancies and management

1.10 The Property is sold subject to and with the benefit of the Leases. The Seller has supplied to the Buyer copies of the Leases, the Rent Deposit Deeds and the licences for alterations referred to in Schedule 1, and the Buyer is treated as purchasing with full knowledge of their contents.

1.11 The Seller will, until completion, manage the Property in accordance with the principles of good estate management and will not, without the Buyer's written consent (not to be unreasonably withheld), grant, vary, surrender or accept the surrender of any of the Leases, agree any rent review, or commence any forfeiture proceedings.

1.12 The Unit 4 rent review with a review date of 25 March 2025 is outstanding. The conduct and benefit of that review will pass to the Buyer on completion, and the Seller will provide the Buyer with such information and assistance as the Buyer reasonably requires to conclude it. Any increase in rent agreed or determined for the period before completion will be apportioned and accounted for under Schedule 3.

6. Rent deposits

1.13 On completion the Seller will assign to the Buyer the benefit of the Rent Deposit Deeds and will pay or transfer to the Buyer the sums held under them, totalling £221,500, and the parties will execute the deeds of assignment in the agreed form. The apportionment account in Schedule 3 will give credit to the Buyer for those sums.

7. Service charge

1.14 The Seller will provide to the Buyer before completion a service charge reconciliation to the Completion Date. The sum of £25,000 (the "Retention") will be retained by the Buyer's conveyancer from the completion monies pending agreement of the service charge reconciliation for the year ending 31 December 2025. The Retention (or the balance after any sum due to the Seller) will be released within 10 working days of agreement of the reconciliation.

8. Completion and apportionments

1.15 Completion will take place on the Completion Date at the offices of the Seller's conveyancer or where the Seller's conveyancer reasonably directs, by electronic transfer of funds and on a postal basis under the Law Society's Code for Completion by Post.

1.16 Income and outgoings of the Property will be apportioned on the basis set out in Schedule 3 as at the Completion Date by reference to the quarter day immediately preceding completion. Rents and other sums which are due but unpaid at completion will be dealt with under condition 8.3 (completion arrears), and the Seller authorises the Buyer to collect them and to account to the Seller for any sums recovered which relate to the period before completion, after deduction of the Buyer's reasonable costs of recovery.

1.17 If completion does not take place on the Completion Date, the party who is not then ready, able and willing to complete will pay compensation to the other in accordance with condition 9.

9. VAT and transfer of a going concern

1.18 The parties intend, and will use reasonable endeavours to procure, that the sale of the Property is treated as neither a supply of goods nor a supply of services under article 5 of the Value Added Tax (Special Provisions) Order 1995 (a transfer of a going concern).

1.19 The Seller warrants that it has exercised the option to tax the Property and has notified that option to HMRC. The Buyer warrants that, on or before completion, it will exercise the option to tax the Property, notify HMRC, and provide written confirmation to the Seller, and that it is or will be registered for VAT.

1.20 If, despite the parties' intention, HMRC determines that VAT is chargeable on the sale, the Buyer will pay that VAT to the Seller against a valid VAT invoice within twenty working days of written demand, together with any interest or penalty attributable to the Buyer's default.

10. Insurance

1.21 The Seller is not obliged to insure the Property after exchange. Risk passes to the Buyer on exchange of contracts and the Buyer will insure the Property from exchange. Condition 7.1 is varied accordingly. The Seller will not cancel its insurance until completion.

11. Capital allowances

1.22 The parties will, on completion, enter into an election under section 198 of the Capital Allowances Act 2001 in the sum of £1 in respect of the fixtures forming part of the Property, in the agreed form annexed.

12. Misrepresentation and entire agreement

1.23 The Buyer enters into this contract in reliance on the replies given by the Seller's conveyancer to the Buyer's pre-contract enquiries. Save as set out in this contract and those replies, the Buyer has not relied on any representation made by or on behalf of the Seller. Nothing in this clause limits any liability for fraud.

1.24 This contract, the documents annexed and the replies to enquiries constitute the entire agreement between the parties relating to the sale of the Property and supersede all prior negotiations and heads of terms.

13. Notices

1.25 Condition 1.3 applies to the giving of notices under this contract. Notices to the Seller and Buyer will be given to their respective conveyancers.

14. Third party rights

1.26 Save as expressly stated, a person who is not a party to this contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

15. Governing law and jurisdiction

1.27 This contract and any dispute or claim arising out of or in connection with it or its subject matter is governed by, and construed in accordance with, the law of England and Wales. The parties irrevocably submit to the exclusive jurisdiction of the courts of England and Wales.

Schedule 1 — The Leases (Tenancy Schedule)
