PENROSE ROBOTICS LIMITED

(Company number 12648931) (the “Company”)

MINUTES OF A MEETING OF THE BOARD OF DIRECTORS

held at 3rd Floor, Veridian House, 84–90 St John Street, London EC1M 4EH and by video-conference on 14 November 2025 at 9.30 am

1. Present and quorum

Present: Dr Marcus Penrose (Chair), Aisha Devlin. In attendance: Sarah Whitfield and James Osei (Whitfield Carter LLP). The Chair noted that a quorum was present and declared the meeting open.

2. Notice and conflicts

The directors confirmed that due notice of the meeting had been given and that, having considered the matters to be transacted, each director declared the nature and extent of any interest in the proposed Series A financing (the “Transaction”) in accordance with section 177 of the Companies Act 2006 and the Company’s articles, and was permitted to count in the quorum and vote.

3. Purpose

The Chair explained that the purpose of the meeting was to consider and, if thought fit, approve the Transaction, being the subscription by Calderbrook Growth Partners LLP and Aldridge Seed LP for 1,000,000 Series A Shares at £8.00 per share, raising £8,000,000.

4. Transaction documents

There were produced to the meeting drafts of: the Subscription and Shareholders’ Agreement; the Investor Rights Agreement; the Side Letter in favour of the Lead Investor; the new Articles of Association; the Disclosure Letter; the Funds Flow Statement; and the written resolutions of the members. The directors confirmed that they had reviewed each document and considered the terms to be in the best interests of the Company and its members as a whole and likely to promote the success of the Company for the benefit of its members.

5. Resolutions

IT WAS RESOLVED that:

- each of the Transaction Documents be and is approved in the form produced to the meeting (with such amendments as any director may approve);
- subject to the passing of the members’ resolutions, the allotment and issue of 1,000,000 Series A Shares credited as fully paid be and is approved, and the directors be authorised to allot the same and to disapply pre-emption rights;
- the adoption of the new Articles be recommended to the members and put to them by written resolution;
- the Company’s register of members and other statutory registers be updated, and the relevant Companies House filings (forms SH01 and the special resolution) be made within the prescribed time limits; and
- any one director be authorised to execute the Transaction Documents and any ancillary documents for and on behalf of the Company.

6. Members’ resolutions

It was noted that the holders of the requisite majority of the Ordinary Shares had indicated that they would sign the written resolutions adopting the new Articles and authorising the allotment, and that Completion would proceed once those resolutions had been passed.

7. Close

There being no further business, the Chair declared the meeting closed.
