1. Notice, quorum and conflicts

The Chair noted that due notice of the meeting had been given and that a quorum was present. No director declared any interest in the matters to be considered beyond those previously disclosed and recorded in the register of interests.

2. Minutes of the previous meeting

The minutes of the board meeting held on 4 December 2025 were approved as a true and accurate record and signed by the Chair.

3. Project Northwind — proposed licence to Wexbourne Retail Group

The Chair invited the CEO and Head of Finance to present the proposed Patent and Software Licence Agreement with Wexbourne Retail Group Limited ("Wexbourne") in respect of the Helmsman platform ("Project Northwind"). The board noted that:

(a) the proposed licence would be the Company's first enterprise retail deployment and would establish Wexbourne as a reference customer;

(b) the commercial terms comprised an up-front licence fee of £3,200,000, a per-robot royalty of £1,450 per annum (subject to early-adopter pricing under a side letter), an annual minimum royalty of £1,087,500, and an annual maintenance and support charge of £576,000;

(c) the licence was non-exclusive but would become exclusive within the Field in the UK and ROI while Wexbourne maintained an agreed minimum installed fleet;

(d) the Company would be required to deposit the Helmsman source code into escrow and to grant a third-party IP infringement indemnity, capped as set out in the licence; and

(e) Whitfield Carter LLP had advised on the licence and had completed a confirmatory freedom-to-operate review, summarised in the IP review note circulated with the board papers.

The Head of Finance confirmed that the transaction had been modelled and was expected to be earnings-accretive from the second contract year, and that the indemnity exposure had been reviewed with the Company's insurers.

4. Resolutions

After discussion, it was resolved that:

4.1 the entry by the Company into the Patent and Software Licence Agreement with Wexbourne, the related Source Code Escrow Agreement and the side letter, substantially in the forms presented to the meeting, be and is hereby approved;

4.2 any one director be and is hereby authorised to agree such amendments to those documents as they consider appropriate and to execute and deliver them on behalf of the Company; and

4.3 the directors and the Company's solicitors be authorised to take all such further steps as may be necessary or desirable to give effect to the transaction.

5. Any other business

There being no other business, the Chair declared the meeting closed at 10:50.
