2. Subscription and conditions

8.6 Subject to the terms of this Agreement, each Investor agrees to subscribe for the number of Series C Shares set out opposite its name in Schedule 1 at the Subscription Price, and the Company agrees to allot and issue those Series C Shares to that Investor with effect from Completion, in each case free from all encumbrances and together with all rights attaching to them.

8.7 Completion of the Subscription is conditional on the following being satisfied (or waived by the Lead Investor) on or before the Completion Date:

(a) the Warranties being true and accurate in all material respects as at the date of this Agreement and immediately before Completion;

(b) the passing of the shareholder resolutions required to adopt the Articles and to authorise the allotment of the Series C Shares;

(c) the delivery of the Disclosure Letter to the Investors;

(d) no material adverse change having occurred in the financial or trading position of the Group between the date of this Agreement and Completion; and

(e) delivery to the Lead Investor of duly executed copies of the documents listed in Schedule 2.

8.8 The Company shall use all reasonable endeavours to procure that the conditions in clause 2.2 are satisfied as soon as reasonably practicable and in any event by the Completion Date.

8.9 If any condition in clause 2.2 has not been satisfied or waived by the Lead Investor by the Completion Date (or such later date as the Company and the Lead Investor may agree), this Agreement shall (save for the surviving provisions) automatically terminate and no party shall have any claim against any other, save in respect of any prior breach.

3. Completion

8.10 Completion shall take place remotely on the Completion Date when each of the events set out in Schedule 2 shall occur in the order there set out.

8.11 At Completion each Investor shall pay its proportion of the aggregate Subscription monies (£55,000,000) in cleared funds to the Company's solicitors, Whitfield Carter LLP, to be held to the order of the Investors until Completion and then released to the Company in accordance with the funds flow statement in the agreed form.

8.12 At Completion the Company shall: (a) allot and issue the Series C Shares; (b) enter the Investors in the register of members; (c) deliver duly executed share certificates; and (d) deliver certified copies of the board and shareholder resolutions referred to in clause 2.2.

8.13 No Investor is obliged to complete the subscription of any Series C Shares unless the subscription of all the Series C Shares is completed simultaneously.

4. The Company's warranties

8.14 The Warrantors jointly and severally warrant to each Investor that each of the Warranties is true, accurate and not misleading at the date of this Agreement, subject only to the matters fairly disclosed in the Disclosure Letter.

8.15 The Warranties set out in Schedule 3 are given subject to the limitations set out in clause 14. Each Warranty is separate and independent.

8.16 The Warrantors acknowledge that the Investors have entered into this Agreement in reliance on the Warranties.

8.17 Where any Warranty is qualified by the expression 'so far as the Warrantors are aware', that statement is deemed to include an additional statement that it has been made after due and careful enquiry of the senior management of each Group Company.

5. Investor protections and consent matters

8.18 The Company shall not, and the Founders shall procure that no Group Company shall, take any action in respect of any Consent Matter set out in Schedule 4 without the prior written consent of the Investor Majority (and, where indicated in Schedule 4, the Lead Investor).

8.19 The consent required under clause 5.1 is in addition to, and not in substitution for, any consent required by law or under the Articles.

8.20 Each Founder undertakes to exercise its voting rights and powers to give full effect to the provisions of this clause 5.

6. Pre-emption on new issues

8.21 Subject to clause 6.3, no equity securities shall be allotted or issued by the Company unless first offered to the holders of Series C Shares and the other shareholders in proportion to their existing holdings on a Fully Diluted Basis (the Pre-emption Right).

8.22 An offer under clause 6.1 shall be in writing, specify the number and price of the securities and remain open for not less than 15 Business Days.

8.23 The Pre-emption Right does not apply to issues of: (a) shares under the Option Pool; (b) shares issued on a bona fide acquisition approved as a Consent Matter; or (c) shares issued on conversion of the Series C Shares.

7. Transfers of shares; pre-emption on transfer

8.24 No shareholder shall transfer, or create any encumbrance over, any shares except as permitted by this Agreement and the Articles.

8.25 Any shareholder wishing to transfer shares (a Seller) shall first offer them to the other shareholders by notice to the Company (a Transfer Notice), and the shares shall be offered pro rata to the other shareholders at the price specified in the Transfer Notice or, failing agreement, the fair value certified by the Company's auditors.

8.26 Permitted transfers (which are not subject to clause 7.2) include transfers by an Investor to an Affiliate or to another fund managed by the same manager, and transfers by a Founder to a family trust with the prior consent of the Investor Majority.

8. Drag-along and tag-along

8.27 If shareholders holding not less than 65 per cent. of the shares (including the Investor Majority) wish to accept a bona fide arm's length offer from a third party for the entire issued share capital (an Approved Sale), they may require all other shareholders to sell their shares on the same terms (the Drag).

8.28 Where shares are to be transferred to a third party that would result in a change of control, the proposed transferor shall procure that the third party offers to buy the shares of all other shareholders on no less favourable terms (the Tag).

8.29 On a Drag, the consideration shall be allocated among the shareholders in accordance with the liquidation waterfall in clause 13.

9. Board and governance

8.30 For so long as the Lead Investor (together with its Affiliates) holds not less than 50 per cent. of the Series C Shares subscribed by it at Completion, the Lead Investor shall be entitled to appoint and remove one Investor Director.

8.31 The board shall comprise no more than five directors: two Founder directors, one Investor Director, and up to two independent non-executive directors appointed with the approval of the Investor Majority.

8.32 The quorum for a board meeting shall include the Investor Director (or its alternate), save that if a meeting is inquorate solely for that reason it may be adjourned and reconvened, at which reconvened meeting the presence of the Investor Director shall not be required.

8.33 The Company shall hold board meetings not less than once every two months and shall reimburse the reasonable expenses of the Investor Director.

10. Information rights

8.34 The Company shall supply to each Investor holding not less than 3 per cent. of the issued share capital: (a) audited accounts within 120 days of each financial year end; (b) monthly management accounts within 20 Business Days of each month end; (c) an annual budget not less than 30 days before the start of each financial year; and (d) such other information as the Investor Majority may reasonably require.

8.35 Each Investor that is a fund shall be entitled to disclose information about the Company to its limited partners and prospective investors, subject to appropriate confidentiality undertakings.

11. Founder undertakings and leaver provisions

8.36 Each Founder undertakes to devote substantially the whole of their business time and attention to the Business and not to be engaged in any competing business.

8.37 On a Founder becoming a Leaver, the leaver provisions in Schedule 5 shall apply, distinguishing between a Good Leaver and a Bad Leaver and providing for compulsory transfer of a proportion of that Founder's shares at the price determined under Schedule 5.

8.38 Each Founder confirms that all intellectual property created by them in connection with the Business has been validly assigned to the Company.

12. Anti-dilution

8.39 If the Company issues equity securities at a price per share less than the Subscription Price (a Down Round), the conversion price of the Series C Shares shall be adjusted on a broad-based weighted average basis in accordance with the Articles.

8.40 No adjustment shall be made in respect of issues of shares under the Option Pool or any issue approved in writing by the Investor Majority as being excluded from this clause.

13. Liquidation preference and exit

8.41 On a Liquidation Event, the proceeds shall be applied first in paying to the holders of Series C Shares an amount equal to the Subscription Price paid for their Series C Shares (a 1x non-participating preference), and thereafter the balance shall be distributed among all shareholders pro rata, provided that each holder of Series C Shares may elect to convert into ordinary shares and participate pro rata if that would yield a greater return.

8.42 A Liquidation Event includes a return of capital on a winding up, a sale of the Business, and (unless the Investor Majority elects otherwise) a Share Sale or an Asset Sale.

14. Limitations on liability

8.43 The aggregate liability of the Warrantors in respect of all claims under the Warranties shall not exceed £55,000,000 (being an amount equal to the aggregate Subscription monies), save that the aggregate liability of each Founder shall not exceed an amount equal to one and three quarter times the gross subscription proceeds received by that Founder in respect of his shares.

8.44 No Warrantor is liable for a Warranty claim unless the amount of that claim exceeds £30,000, and unless the aggregate of all claims exceeds £150,000 (in which case the whole amount is recoverable and not merely the excess).

8.45 No Warrantor is liable for any claim unless written notice of the claim is given to the Warrantors within 21 months of Completion in the case of a general Warranty claim, and within 7 years in the case of a Tax claim.

8.46 The Warrantors are not liable for any claim to the extent that it arises from a matter fairly disclosed in the Disclosure Letter, or is provided for in the Completion accounts, or arises from a change in law after Completion.

8.47 Nothing in this clause 14 limits the liability of any Warrantor in the case of fraud or fraudulent misrepresentation.

15. Confidentiality and announcements

8.48 Each party shall keep confidential the terms of this Agreement and all confidential information of the Group, save as required by law or to its professional advisers.

8.49 No announcement concerning the Subscription shall be made by any party without the prior written approval of the Company and the Lead Investor (such approval not to be unreasonably withheld), except as required by law or any regulatory body.

16. Restrictive covenants

8.50 Each Founder covenants with the Company and the Investors that he shall not, for so long as he holds shares and for 15 months afterwards, directly or indirectly: (a) carry on or be engaged in any business competing with the Business; (b) solicit any customer or employee of the Group; or (c) use the name 'Penrose Robotics' or any confusingly similar name.

8.51 Each covenant in clause 16.1 is a separate undertaking and is considered by the parties to be reasonable and necessary to protect the legitimate interests of the Investors.

17. General

8.52 This Agreement, the Articles and the Disclosure Letter constitute the entire agreement between the parties and supersede all prior agreements. In the event of conflict between this Agreement and the Articles, this Agreement prevails as between the shareholders.

8.53 No variation of this Agreement is effective unless in writing and signed by the Company and the Investor Majority.

8.54 A person who is not a party to this Agreement has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of it.

8.55 This Agreement may be executed in any number of counterparts, each of which when executed constitutes an original, and all of which together constitute one agreement.

8.56 The rights and obligations of each Investor are several and not joint.

18. Notices

8.57 Any notice under this Agreement shall be in writing and delivered by hand, by pre-paid first-class post or by email to the address of the relevant party set out in Schedule 1 (or such other address as notified in writing).

8.58 A notice is deemed received: if delivered by hand, on signature of a delivery receipt; if sent by post, at 9.00 am on the second Business Day after posting; and if sent by email, at the time of transmission, subject to confirmation of delivery.

19. Governing law and jurisdiction

8.59 This Agreement and any dispute arising out of or in connection with it are governed by and construed in accordance with the law of England and Wales.

8.60 The parties irrevocably submit to the exclusive jurisdiction of the courts of England and Wales.
