Sarah Whitfield and Elena Marchetti of Whitfield Carter LLP (by invitation, for items 4 to 7).

1. QUORUM AND NOTICE

The Chair noted that due notice of the meeting had been given and that a quorum was present. He declared the meeting open and competent to transact business.

2. DIRECTORS' INTERESTS

The directors confirmed that they had no interests in the matters to be considered requiring declaration under section 177 of the Companies Act 2006 other than as previously disclosed and recorded in the register of interests.

3. FINANCIAL POSITION AND DIRECTORS' DUTIES

The board reviewed the Company's current financial position, the breach of the leverage and interest cover covenants at 31 December 2025, the reservation of rights by Sterling Commercial Bank plc (the "Bank") and the rolling 13-week cashflow forecast. The Finance Director reported that, with the proposed new money facility, the Company was forecast to maintain adequate liquidity through the restructuring period. Whitfield Carter LLP advised the board on the directors' duties under sections 171 to 177 of the Companies Act 2006 and on the need, where a company is in financial difficulty, to have regard to the interests of creditors. The board confirmed that it considered the proposed restructuring to be in the best interests of the Company and its creditors as a whole.

4. THE RESTRUCTURING

There were produced to the meeting drafts of: (a) the Amendment and Restatement Agreement between the Company and the Bank (the "Amendment Agreement"); (b) a confirmatory debenture; (c) a share charge over Sutherland Distribution (Midlands) Limited; (d) a legal mortgage over the Coventry freehold; and (e) the Facility B fee letter (together, the "Documents"). The principal terms were summarised, including: the new super-senior Facility B of £3,500,000; the amendment of Facility A pricing to 4.25% per annum (with a PIK toggle); the extension of final maturity to 30 June 2029; revised financial covenants (leverage 3.50:1 stepping to 3.00:1; DSCR 1.10:1; minimum liquidity £1,500,000); and an amendment fee of £285,000.

5. APPROVAL

After careful consideration, IT WAS RESOLVED that: (a) the terms of the Documents be and are approved; (b) the entry into and performance by the Company of the Documents be and is approved; (c) any one director, or any director acting together with the Company Secretary, be and is authorised to execute the Documents (and, where executed as a deed, to deliver them) on behalf of the Company, with such amendments as the person(s) executing may approve; and (d) any director or the Company Secretary be authorised to do all such acts and things and execute all such other documents as may be necessary or desirable to give effect to the Documents and the transactions contemplated by them, including the making of filings at Companies House and HM Land

Registry.

6. CERTIFICATE OF SOLVENCY / BORROWING LIMITS

The board confirmed that the entry into the Documents and the borrowing of Facility B would not cause any borrowing or similar limit binding on the Company to be exceeded and that the Company would receive adequate commercial benefit from the transaction.

7. CLOSE

There being no further business, the Chair declared the meeting closed.
