MINUTES OF A MEETING OF THE BOARD OF DIRECTORS

Held at 8 Devonshire Square, London EC2M 4PL on Wednesday 15 April 2026 at 10.00 a.m.

Present

Daniel Quigley (Chair and Managing Director)
Rebecca Stone (Finance Director)
Isla Fournier (Head of Acquisitions)

In attendance

Ben Sato (Company Secretary), who took the minutes; and, by invitation for item 2, James Osei (Senior Associate, Whitfield Carter LLP).

1. Quorum, notice and declarations of interest

The Chair noted that due notice of the meeting had been given to all the directors and that a quorum was present. He declared the meeting open and competent to transact business. The directors confirmed that, save in their capacity as directors of the Company, none of them had any interest, direct or indirect, in the matters to be considered that was required to be declared under section 177 of the Companies Act 2006 or the Company's articles of association.

The Chair reported that the meeting had been convened to consider, and if thought fit approve, the acquisition by the Company of the freehold of Kingsgate House, 14–18 Farringdon Road, London EC1M 3HE (the "Property"), an investment opportunity referred to internally as "Project Redwood".

2. Project Redwood — proposed acquisition of Kingsgate House

The Board considered the proposed acquisition of the freehold of the Property from Belvedere Estates Limited (the "Seller") for a purchase price of £18,500,000 (the "Purchase Price"), exclusive of VAT, subject to and with the benefit of the existing occupational tenancies producing a current passing rent of £1,362,200 per annum (a net initial yield of approximately 7.4% before purchaser's costs, or approximately 7.0% after costs).

There were tabled, and the Board reviewed: (a) the report on title from Whitfield Carter LLP dated 24 March 2026; (b) the tenancy schedule as at 1 March 2026; (c) the draft contract for sale (incorporating the Standard Commercial Property Conditions (Third Edition – 2018 Revision)) and the draft transfer; and (d) an indicative funding and cost summary prepared by the Finance Director.

James Osei summarised the legal due diligence. He confirmed that title was good and marketable, that the searches and replies to enquiries had revealed nothing that would prevent the Company acquiring the Property at the agreed price, and that the Seller had opted to tax the Property and the parties intended to treat the sale as a transfer of a going concern. He drew the Board's attention to the rent review on the second floor (Northwind Media Ltd) which had recently been agreed, and to the tenant break options on the first, third and fifth floors.

The Finance Director reported that the acquisition would be funded from the Company's existing facilities together with a drawdown of £11,000,000 under the Company's revolving credit facility with its bankers, and confirmed that the Company had sufficient resources to pay the deposit of £1,850,000 on exchange and the balance, adjusted for apportionments, on completion. The Board noted the Stamp Duty Land Tax of £914,500 and the registration and ancillary costs.
