VERDANT ENERGY SYSTEMS LIMITED

(company number 09214477)

MINUTES of a meeting of the board of directors

Held at: Foundry Court, 14 Tanner Street, London SE1 3LD (and by video-conference)

Date: 26 November 2025

Present: Dr Helena Voss (Chair, CEO); Marcus Calder (CTO); Rohan Bhatt (CFO); Nadia Fenwick (General Counsel & Secretary).

1. Quorum and notice

The Chair confirmed that due notice had been given and a quorum was present. The meeting proceeded to business.

2. Project Falcon – Stratton Energy supply agreement

The board considered the proposed Energy Storage Supply, Software Licence and Long-Term Service Agreement with Stratton Energy plc relating to the supply of an 80 MW / 160 MWh battery energy storage system at Stratton's Carrowmoor site. The General Counsel summarised the principal terms, including the supply price of £62,400,000, the annual licence fee of £840,000, the annual service charge of £1,950,000, the 7-year LTSA term, the guaranteed availability of 97.5%, and the liability cap of 125% of trailing 12-month Charges with a £15,000,000 supply super-cap.

The CFO confirmed that the milestone payment profile and the 15% advance payment had been modelled and were consistent with the Company's working-capital facility. The CTO confirmed the technical scope and the augmentation plan were deliverable.

3. Resolutions

IT WAS RESOLVED that: (a) the Agreement be and is approved in the form circulated; (b) the entry into and performance of the Agreement is in the best interests of the Company; and (c) any one director be and is authorised to sign the Agreement and any ancillary documents for and on behalf of the Company.

4. Close

There being no further business, the Chair declared the meeting closed.
