WEXFORD HOLDINGS LIMITED

(incorporated in England and Wales, registered number 09214477) (the "Company")

MINUTES of a meeting of the board of directors of the Company held at 14 St James's Square, London SW1Y 4LB on 10 December 2025 at 10.00 a.m.

PRESENT

Edward Pennington (Chair); Fiona Aldridge; Grace Okafor (each a director).

IN ATTENDANCE

Sarah Whitfield, partner, Whitfield Carter LLP (the Company's solicitors), by invitation, to advise on the proposed acquisition.

1. **Quorum and notice** The Chair confirmed that due notice of the meeting had been given, that a quorum was present and that the meeting was duly convened and competent to transact business. The Chair noted that the meeting had been called to consider, and if thought fit approve, the proposed acquisition by the Company of the entire issued share capital of Calder Vale Foods Limited (the "Acquisition").

2. **Declarations of interest** Each director confirmed that he or she had no interest in the matters to be considered requiring disclosure under section 177 of the Companies Act 2006, save as previously notified to the board. No such interest was declared.

3. **Background and documents** The Chair reminded the board of the strategic rationale for the Acquisition, namely the consolidation of the Company's chilled-foods division and the acquisition of the "Calder Vale" brand and its production capacity. The board reviewed: (a) the legal due diligence report prepared by Whitfield Carter LLP dated 30 October 2025; (b) the financial and tax due diligence summary prepared by Aldgate Corporate Finance; (c) the near-final Share Purchase Agreement; (d) the Disclosure Letter dated 8 December 2025; (e) the draft Completion Funds Flow Statement; and (f) the terms of the committed acquisition facility from Northbank plc.

4. **Consideration and funding** The board noted that the Acquisition would be made for an equity consideration of £41,000,000 (being an enterprise value of £45,000,000 less estimated Completion Net Debt of £3,200,000 and a working-capital adjustment of £800,000), subject to the retention and completion-accounts adjustment mechanics in the Share Purchase Agreement, of which £2,050,000 would be retained in escrow for eighteen months. The consideration and the repayment of shareholder loans of £1,500,000 would be funded from the Company's cash resources and the Northbank plc facility, total funds to be remitted at Completion being £42,500,000.

5. **Red-flag matters** The board noted the principal due-diligence findings, in particular the change-of-control consent required under the Northborough Dairies supply agreement (to be addressed by a post-completion undertaking), the open HMRC VAT correspondence (covered by a specific indemnity in the Share Purchase Agreement), and the Employment Tribunal claim ET 3201884/2025 (assessed as low risk and provided for), and was satisfied that these had been adequately addressed in the transaction documents.

6. **Resolutions** After careful consideration, and being satisfied that entry into the Acquisition was likely to promote the success of the Company for the benefit of its members as a whole (section 172 of the Companies Act 2006), IT WAS RESOLVED that:

(a) the terms of the Acquisition and of the Share Purchase Agreement, the Tax Covenant, the Disclosure Letter, the Escrow Agreement and the other transaction documents (together the "Documents") be and are approved;

(b) the entry into and performance by the Company of the Documents be and is approved, and any director or the company secretary be and is authorised to execute the Documents (and, where required, to procure their execution as deeds) on behalf of the Company, with such amendments as the signatory may approve;

(c) the drawdown of the Northbank plc acquisition facility, and the giving of related security, be and is approved;

(d) the payment of the completion monies in accordance with the Completion Funds Flow Statement be and is approved; and

(e) Edward Pennington be and is authorised to take all such further steps as may be necessary or desirable to give effect to the Acquisition and complete the transaction.

7. Close There being no further business, the Chair declared the meeting closed at 10.40 a.m.
