THIS AGREEMENT is made on **8 September 2025**

BETWEEN:

(1) Wexford Holdings Limited, a company incorporated in England and Wales (registered number 09214477) whose registered office is at 14 St James's Square, London SW1Y 4LB ("Wexford"); and

(2) Calder Vale Foods Limited, a company incorporated in England and Wales (registered number 05583120) whose registered office is at Unit 4, Calder Vale Industrial Estate, Skipton BD23 2QR ("Calder Vale"),

each a "Party" and together the "Parties".

BACKGROUND

The Parties wish to explore a possible acquisition by Wexford of the entire issued share capital of Calder Vale (the "Purpose"). In connection with the Purpose, each Party (as "Discloser") may disclose Confidential Information to the other (as "Recipient"). This Agreement sets out the terms on which such Confidential Information is to be treated.

IT IS AGREED as follows:

1. **Definitions** "Confidential Information" means all information (in any form) disclosed by or on behalf of the Discloser to the Recipient, whether before or after the date of this Agreement, relating to the business, finances, customers, suppliers, employees, products, know-how, plans or affairs of the Discloser or its group, together with the existence and terms of the discussions regarding the Purpose and the fact that Confidential Information has been made available. It excludes information which is or becomes public other than through breach of this Agreement, which the Recipient lawfully held free of any obligation of confidence before disclosure, or which is independently developed by the Recipient without use of the Confidential Information.

2. **Undertakings of confidentiality** The Recipient shall: (a) keep the Confidential Information secret and confidential; (b) use it solely for the Purpose; (c) not disclose it to any person except as permitted by clause 3; and (d) apply to it security measures and a degree of care no less than it applies to its own confidential information of like importance, and in any event a reasonable degree of care.

3. **Permitted disclosures** The Recipient may disclose Confidential Information to its directors, officers, employees and professional advisers who need to know it for the Purpose (the "Representatives"), provided that the Recipient procures that each Representative complies with this Agreement as if a party, and the Recipient is responsible for any breach by its Representatives. The Recipient may also disclose Confidential Information to the extent required by law or any regulatory or governmental authority, provided it gives the Discloser (where lawful) prior written notice.

4. **Return or destruction** On the written request of the Discloser, or on the Parties ceasing to pursue the Purpose, the Recipient shall promptly return or destroy (and certify the destruction of) all Confidential Information and any copies, save for one copy which may be retained for legal or regulatory compliance or held in routine electronic back-ups, which shall remain subject to this Agreement.

5. **No representation; no licence** All Confidential Information remains the property of the Discloser. Nothing in this Agreement obliges either Party to disclose any information or to proceed with the Purpose, grants any licence under any intellectual property right, or constitutes any representation or

warranty as to the accuracy or completeness of any Confidential Information, on which the Recipient relies at its own risk.

6. **No announcement** Neither Party shall make, or permit any person to make, any public announcement concerning the Purpose or the existence or subject matter of this Agreement without the prior written consent of the other, except as required by law or any competent authority.

7. **Term** This Agreement applies to Confidential Information disclosed at any time and the obligations of confidentiality continue for a period of three (3) years from the date of this Agreement, notwithstanding any termination of discussions regarding the Purpose.

8. **Remedies** Each Party acknowledges that damages alone may not be an adequate remedy for a breach of this Agreement and that the Discloser shall be entitled to seek the remedies of injunction, specific performance or other equitable relief, without proof of special damage, in addition to any other remedy.

9. **General** This Agreement constitutes the entire agreement between the Parties relating to its subject matter. No variation is effective unless in writing and signed by both Parties. No failure or delay in exercising a right operates as a waiver of it. A person who is not a party has no rights under the Contracts (Rights of Third Parties) Act 1999. This Agreement may be executed in counterparts.

10. **Governing law and jurisdiction** This Agreement and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it are governed by the law of England and Wales, and the Parties submit to the exclusive jurisdiction of the courts of England and Wales.

AGREED by the duly authorised representatives of the Parties as at the date first stated above.
